

Dear Bristol Township resident,

WM is proud to provide Bristol Township residents with automated cart services for waste and recycling collections. Thank you for helping keep your community clean and green.

NEW Bulk Item Collection Program:

Bulk items are only collected one (1) time per month. Only one (1) item per household will be collected. See the attached calendar for the schedule. Items must be pre-scheduled for pickup with the Bristol Township office no later than the Friday before bulk collection week. Contact Joan Lamina at (267) 812-2950 to schedule your item.

Place your scheduled bulk item at the curb the night before your collection day. Bulk items are household items too large to fit into your waste cart. Examples: mattress, box spring, chair, bookcase, appliances. Mattresses and box springs must be wrapped in plastic for pickup.

Appliances with Freon or CFC gases are considered a bulk item and must be pre-scheduled for pickup during bulk collection week. Place your bulk item at the curb the night before your collection day. Contact Joan Lamina at (267) 812-2950, no later than the Friday before bulk collection week.

Once-A-Week Waste and Recycling Collection:

- **64 Gallon Cart** – Use this cart for single stream recycling only. Place empty, clean recyclables loosely into the cart. Do not bag recyclables or place plastic bags in the cart. Recycling collection is unlimited. Place all items in the recycling cart when possible. If you need an extra cart for recycling, contact WM for a free 64 gallon cart.
- **95 Gallon Cart** – Use this cart for your waste. All waste must be bagged and placed into cart. No excess will be collected outside of the cart. Place cart along street and keep 4 feet away from other carts, trees, mailboxes, cars, etc. Place carts out at the curb the night before your collection day. If you need an extra waste cart, contact WM for a 95 gallon cart. The fee is \$10 per month and billed to you directly.
