### **Bristol Township Names Deputy Township Manager**

Township Manager Bill McCauley today announced that Randee J. Elton, Bristol Township's Operations Analyst/Project Manager has been named Deputy Township Manager.

"Randee Elton earned this promotion over the past two years and our administration will continue to excel with her as Deputy Township Manager," McCauley said. "She has done a remarkable job with everything she has been assigned, especially the very successful Blight Abatement Program," he noted.

Ms. Elton has a Master's degree in Public Administration from Villanova University and a Bachelor's in Urban Planning from Arizona State University. She previously served as Assistant Township Manager in Warminster Township and Director of Community Development in Lower Providence Township.

"The Township was extremely fortunate to attract someone with Randee's education, training and experience," McCauley said. "Now I am taking this action to keep her with Bristol Township for many years to come."

Elton replaces Scott Swichar, who resigned to take the position of East Fallowfield Township Manager in Chester County.

Ms. Elton began work for Bristol Township on November 10, 2015. She will earn \$94,000 a year in her new position.
