

EAC Minutes
April 2, 2019

Meeting began at 7:05pm. Present were: Joe Krug, Ellen Miller, April Whitley, Dom Filanowski, Scot Colby, and Secretary, Cathy Raupp. Also in attendance were Craig Bowen, Ed Armstrong, Kathy Frazier, Mike Schwoyer, and guest, John Lopuszanski.

Old Business:

The minutes were read from the last meeting and they were approved. We still need an additional member on the EAC.

New Business:

Craig Bowen spoke about the park project that is happening on the township property. He also discussed the future of our recycling program. The market has changed regarding recycles and it will cause some changes in the recycling program in the future.

Scot has requested that new signs be replaced in Crabtree, Oak Tree, and Red Cedar sections. They are not the same as the original signs as they have no information about yard waste.

The Heritage Conservancy project is scheduled for Monday, April 22. Locations are Bristol Marsh and Croydon Woods. There are plans underway for a pollinator garden as well.

The EAC is planning to have a table at the Heritage Conservancy's Community Day on May 4.

Meeting adjourned at 7:30pm, motion by Scott, seconded by April.

The next meeting is scheduled for May 1 at 7pm, following a presentation on Understanding and preventing Lyme and other tick-borne diseases. Location is the Bristol Township Municipal Building.
