TV personality Mike McGrath will speak on Composting on October 3.

New Business:

Our educational programs are planned, but the dates are tentative depending on the speaker's availability. Our May 1, 2019 presentation is on "Understanding and Preventing Lyme Disease". The speakers are Karen Meyers and Evelyn Throne.

On June 5, we will be having Faith Zerbe of the Delaware Riverkeepers as a speaker. She will be replacing Maya K. van Rossum who had another commitment for that evening. The selected topic is "Gardening for the River".

Later this year we will be screening "Paris to Pittsburgh", a free Climate Change movie by National Geographic. Possible times are August, September, or November.

Our meeting time was discussed. It was suggested that we meet at 6 instead of 7. No change at this time.

Joe spoke about the ELCON meeting.

Ellen and Joe are planning to attend the next Council meeting.

Meeting adjourned at 7:40pm, motion by Scott, seconded by April.

The next meeting is scheduled for April 3 at 7pm at the Bristol Township Municipal Building.
