Bristol Township residents and visitors can expect a fun-filled Saturday as the Township will host the annual Fall Festival on September 22, 2018.

Bristol Township Manager Bill McCauley said the township is excited to announce new activities to enhance the event this year. In addition to the activities of prior years, this year's festival features the SelfieXpressions photo booth mirror and a Video Game Trailer!

"Established to promote fellowship and community in Bristol Township, the Fall Festival is an annual event that the entire Township looks forward to celebrating," said McCauley.

The family-friendly festival begins at 11 a.m. and offers hayrides, a pumpkin patch, face painting, balloon art, inflatable rides and games, craft vendors, a live auction, a K9 demonstration by the Bristol Township Police Department at noon, carnival-themed food, great music and more. The children's activity tent will also feature fall-related craft projects. The Police Department and fire services will have emergency vehicles and big trucks on display, so families can take a close look.

Each family will have an opportunity to visit the Parks and Recreation tent to register for a family four pack of tickets to Sesame Place for the 2019 season (over \$280 value based on 2018 pricing).

Sponsors for this event include Flager and Associates, PC; Bardissi Enterprises; Republic Bank; Gilmore and Associates, Inc.; Boyle Construction; Hughes Heating and Air Conditioning; Sodano Auto Repair; and SPG Customs.

Admission to the festival is free. In case of rain, the event will be held on Sunday, September 23. For information about scheduled activities at Fall Festival, visit the Township's website, <http://www.bristoltownship.org>, or facebook pages.
