BRISTOL TOWNSHIP NEIGHBORHOOD SIGN UPGRADES

Bristol Township announced the “kick off” of the new neighborhood sign installations throughout Levittown. Council Vice – President, Cindy Murphy said, “I am extremely pleased we are replacing the neighborhood signs throughout the Township.”

The first of the Levittown Neighborhood Section Sign Upgrades began at Yellowood Drive and Millcreek Parkway. 104 Neighborhood Section signs are scheduled to be replaced and installed; 63 are Levittown Neighborhood Section Signs.

Murphy stated, “This is a project that I have been looking forward to since Council appropriated the money to beautify the Township.” In addition to the neighborhood signs, Murphy said the Township would be installing Gateway Welcome signs at Township entrances as part of an overall effort to beautify Bristol Township, and continuing efforts to remove blight. “The old signs were outdated and just not visually attractive,” said Murphy.

The signs are being installed by Public Works employees. The project is expected to be completed by October 1, 2018.
