## RESOLUTION 13-2006

### **A RESOLUTION AMENDING RESOLUTION 01-2004, FILING FEES AND ESCROW AMOUNTS FOR APPLICATIONS INVOLVING SUBDIVISION, LAND DEVELOPMENTS, PETITIONS FOR CHANGE OF ZONING, CURATIVE AMENDMENTS, CONDITIONAL USE APPLICATIONS, ZONING HEARING BOARD APPEALS, GOVERNING BODY APPEALS, AND ESTABLISHING CERTAIN ADMINISTRATIVE PROCEDURES AND POLICIES WITH RESPECT TO APPLICATION PROCEDURES, ADMINISTRATIVE FEES, AND RESOLUTION OF FEE DISPUTES**

BE IT RESOLVED AND ENACTED, and it is hereby resolved and enacted by the Council of the Township of Bristol, County of Bucks, Commonwealth of Pennsylvania:

#### SECTION 1. ADMINISTRATION

- A. All applications must be filed with the License and Inspections Department and be stamped with the application date. Any application (other than those pertaining to Subdivisions and Land Developments) that is deemed incomplete by the License and Inspections Department will not be accepted for review by the Township. When an application is rejected, the applicant shall be informed of the specific deficiencies of the application and instructed in fulfilling the application requirements.
- B. A filing fee and escrow deposit are payable at the time of submission of each application, excluding final subdivision and land development plans where fees and escrows were established with the preliminary plan application. Separate checks shall be submitted by the applicant to cover the amounts of the filing fee and escrow deposit. In general, the filing fee will reimburse the Township for indirect and overhead expenses incurred during the review process for a particular application. The escrow deposit will reimburse the reasonable and necessary expenses of postage, advertising, stenographic services, legal and engineering services, traffic design, site design, landscape architecture and other consulting services which the Council and/or Zoning Hearing Board deem necessary for the examination of subdivision, land development or other applications.
- C. A five percent (5%) administrative fee will be added to all applicable charges invoiced to the escrow account. This fee will be added to the total of each Township invoice and be deducted forthwith from the escrow account.
- D. Applicants will receive periodic statements of the charges and fees deducted from their escrow accounts by the Township.

- E. Upon submission of an application, the applicant will be required to sign an agreement to reimburse the Township for all reasonable and necessary expenses incurred by reason of the application in excess of the sums deposited with the Township. In the event that the escrow amount falls below fifty percent (50%) of the original escrow deposit, and it seems likely that costs will run in excess of the unused portion, the Township reserves the right to require an additional escrow deposit to restore the account to the amount of the original deposit. This additional escrow deposit is subject to the five percent (5%) administrative fee and shall be paid when requested and before further review of the application by the appropriate Township boards and/or commissions.
- F. Upon the recording of a subdivision plan with the Recorder of Deeds, or upon final action by the Council or Zoning Hearing Board, or upon withdrawal of an application by the applicant, and after payment of all advertising, engineering, legal and other expenses incurred by the Township, the balance of the escrow amount will be refunded to the applicant. Funds held in the escrow account will not be refunded until all Township invoices and expenses have been paid in full by the applicant.

SECTION 2. SUBDIVISION AND LAND DEVELOPMENT APPLICATIONS, INCLUDING CHANGES IN LOT LINES WHERE NO NEW LOTS ARE CREATED.

- A. Upon submission of a preliminary plan application, or a final plan application where no preliminary plan had been submitted, the applicant shall pay filing fees and deposit escrow amounts in accordance with the schedule established hereinbelow.
- B. In the R-1, R-2, R-3, and R-4 zoning districts, and for all other residential zoning districts or uses, subdivision and/or land development filing fees and escrow amounts shall be established as hereinbelow set forth. Where the number of lots and number of dwelling units are not the same, the filing fee and escrow amount shall be calculated on the basis of the greater number and the applicant shall pay and deposit the greater amount.

WAIVER OF TIME LIMIT FOR TOWNSHIP ACTION ON  
PRELIMINARY PLAN

The Pennsylvania Municipalities Planning Code requires that the municipality make and communicate its decisions on applications for approval of preliminary/final land development plans within ninety (90) days of the date of a complete application submission. From time to time, circumstances arise which prevent the municipality from giving full consideration to an application within the specified time limits. Those circumstances have arisen in this case due to inadequate information presented to the Township or for other reasons beyond the control of the Township. It is therefore requested that this waiver of time limit be executed.

THE APPLICANT IS ADVISED THAT THIS WAIVER NEED NOT BE SIGNED AND THE TOWNSHIP WILL HAVE TO ACT ON THE APPLICATION BY EITHER APPROVING OR DISAPPROVING THE APPLICATION WITHIN THE SPECIFIED TIME LIMITS. The signing of this document signifies a knowing and willing waiver by the applicant.
