

Dear FiOS TV Customer,

At Verizon we strive hard to provide the best experience for our customers by keeping you informed of programming and content-related changes that occur on our network.

In the coming days, *the Urge Digital Music Channels* - currently located on channels 1900 through 1951 - will be removed from the FiOS TV lineup due to the provider's decision to discontinue the service. Thereafter, this content will no longer be available on FiOS TV. You can continue to enjoy a wide range of great digital music on the Music Choice channels located on channels 1800-1845.

We thank you for being a FiOS TV customer and apologize in advance for any inconvenience this may cause. Remember that you always have access to your local lineup at the click of your mouse - 24 hours a day/7 days a week - when you visit us online at [verizon.com/fiostvchannels](http://verizon.com/fiostvchannels).
