### **SPECIAL COLLECTION OF TREE DEBRIS ON SATURDAY, MARCH 24**

Due to the extent of storm debris created by the recent winter storms, Bristol Township will hold a special curbside collection of yard waste and tree branches on Saturday, March 24.

Deputy Township Manager Scott Swichar said that “the recent storms hit Bristol Township hard leaving large branches strewn in yards and streets.” The Township’s trash contractor, Waste Management, will sweep the entire township to help residents with their cleanup efforts, said Swichar.

This special collection applies to tree and yard waste only. “Trash, construction and demolition debris will not be collected,” said Swichar. There will be no additional charge to residents.

Residents should have yard waste/tree debris placed out for collection at the curb no later than 6:00am on March 24. Trees limbs and branches should be cut into 4-foot lengths and tied and bundled when possible. Regular spring yard waste collection will resume on April 15. For more information, call Joan Lamina at 267-812-2950.
